

CADEXAIR PARTNERS WITH AXOM GROUP TO OFFER HIGH-QUALITY COMMERCIAL KITCHEN VENTILATION SYSTEMS IN WESTERN CANADA

*** FOR IMMEDIATE RELEASE ***

MONTREAL, March 8th, 2023 / -- CADEXAIR (www.cadexair.com) is pleased to announce its new partnership agreement with **AXOM GROUP** (www.axomgroup.ca), a leading manufacturing representative company. This partnership is expected to bring about significant benefits to both companies and their customers in Canada.

Axom Group has a strong reputation in the manufacturing industry, providing high-quality products and services to its clients. The company specializes in representing manufacturers of advanced technology products, which aligns with **Cadexair's** goal of offering innovative solutions to its customers. With **Axom Group's** extensive network in the foodservice industry, **Cadexair** will have access to a wider range of foodservice specialists, consultants, and chefs/restaurant owners, allowing it to better meet the needs of its customers.

This partnership will also enable **Cadexair** to expand its Canadian reach in the market. **Axom Group** has a well-established presence in the industry and a vast network of contacts, which will be leveraged to introduce **Cadexair** to new customers and markets. **Cadexair** will benefit from the expertise and knowledge of **Axom Group's** team, who have years of experience in the industry and an excellent track record of delivering results.

*"We are thrilled to partner with **Axom Group**. This partnership will allow us to offer our customers an even wider range of high-quality products and services. With **Axom Group's** support, we are confident that we can expand our reach in the market and better serve our customers." - Francis Brassard., P. Eng., CEO & Owner, Cadexair.*

*"We are excited to partner with **Cadexair**. We believe that our combined strengths will bring about significant benefits to our Canadian customers. We look forward to working closely with **Cadexair** to deliver innovative solutions and exceptional service." – Xavier Lavigne, Co-Owner, Axom Group.*
