

Limited Warranty Cadexair

*****Warranty for products manufactured by Cadexair (hoods, controller, advanced filtration unit, etc.)***:**

The warranty for parts for your HVAC equipment is valid from the earlier of 18 months from the date of shipment or 12 months from the start-up date. For any warranty part replacement, a purchase order is required to order the new part. Please note that the defective part must be returned to Cadexair at the customer's expense for investigation. Following the investigation, Cadexair reserves the right to refuse reimbursement.

*****Cadexair Labor Warranty***:**

We offer a 30-day labor warranty from the start-up date of your equipment or 90 days from the date of shipment. Cadexair reserves the right to perform the repairs itself, engage another party, or compensate the customer. Please note that any applicable labor expenses on the product must be approved in advance by Cadexair before execution.

Cette garantie s'applique à moins de termes spécifiques préalablement établis entre Cadexair et un le client.

Limited Warranty Cadexair

*****Warranty Exclusions***:**

It is important to note that certain items considered consumables are not covered by the warranty, including bulbs, belts, filters, and disposable odor media. Additionally the limited warranty excludes improper installation, misuse, and abuse of the product. Normal product maintenance must also have been performed to qualify for warranty coverage.

*****Non-Cadexair Manufactured Components (such as fans, air handling units, fire protection, etc.)***:**

Please note that any component distributed but not manufactured by Cadexair is covered according to the warranty terms of the manufacturer of that specific component. We are committed to facilitating the warranty process for these components and providing all necessary support to resolve any issues. This warranty does not cover expenses resulting from loss of use of the components during warranty repairs or any other consequential costs.
